

<p style="margin-top: 0px; text-align: center;"> ST MANS & LADIES ONLY ♦369UK ♦440ES</p> <p> DELIVERY FREE UK. Electric bikes with Power for only ♦329 including delivery. All the bikes on this page have the famous Currie Chain driven motor (except folder and Enlightened). This motor has been used in the Currie Add On Kit System for many year giving good performance and reliability. The control unit has been removed from the motor and is now mounted separately on the frame. Because of the motors 3500rpm it has high torque output and is very kind to the batteries. Most of these bikes are in stock ready for delivery, unless otherwise posted</p>
